Dear Friend,

This is the year of prophetic fulfillment for many of the promises God has given to us. He will accomplish His plans and purposes for His End-time work in this New Year.

We invite you to join with us at our first 2009 Flying Eagles Conference and let your expectations rise to believe for what you have prayed for. The sick will be healed, lives empowered, and impartation's received. See you there!

Dr. Colleen & Pastor Mary
