

Rev. Dr. Brenda Kelly, Apostle

Standing in a voice of Gods Word through Brenda Kelly Ministries as a Respite Ministry House. Brenda is mentoring many to walk in a spirit of excellence. Serving the Global Altar Of "Ministers Prayer Network" of Apostolic gatherings, as the USA Apostolic Women's & Men's Director. She also sits as a US board member. Brenda is a co-Facilitator of the "GateKeepers Training" courses for Intercessors in the United States. Traveling with an International Ambassadorial Apostolic Mantle, she is being sent to spread the fire of Gods Presence among His people, the Church.

The insight is to captivate the body of Christ by pulling them up into position for the receiving of His Presence to consume His bride with intimacy. This is heard and absorbed by many through prophetic and apostolic spiritual gifts from our Lord in serving others by breathing His exhaled Word.

I believe that the importance of life is how much quality time you spend with the Father, not how much time you spend with the sheep. Very little will happen spiritually until you abide daily within the Lord to hear and absorb what He desires of you to do with your life today.
